

Isle Of Wight 2010

On the 21st of May 55 children and 6 adults set off to the adventurous Little Canada in the Isle of Wight. During the time that we spent there we had two children's birthdays and lots of exciting surprises!

The coach journey was long, tiring, hot and noisy. However, it was something we will never forget and remember forever. As well as the coach journey we will also never forget the ferry. Luckily no one was sick!!

Overall we all thought that it was a life changing experience and our friendships are stronger than ever!!
