

Skipping Workshop

After many of our children had shown interest in the Saturday morning show "Jump Nation", where groups of children learn new skipping tricks and routines, we were lucky enough to have a visit from Beci and Laura from the British Jump Rope Team. They ran workshops for children from Year One to Year Six and the day was a huge success as the children learnt new skills and tricks. We have since sold over 150 skipping ropes to the children and they are all improving every day!

This is a great way to keep fit and have fun as well.

Many thanks to the PTA for funding this event.
