

# Year 5

In Year 5 we have been finding out all about plant life cycles ready for the Summer! Also we have found out about acids, alkalis and the ph scale—we are flying high. Our class song says it all—We try our very best!

We have also been doing some very exciting learning on “The Highway Man”. The children were very enthused about the Big Writing and produced some excellent learning. We have also worked hard on improving our persuasive skills writing letters to change the way the school is and how Folkestone is run. We have really improved the way we voice our opinions and write formal letters!

On the 6th May we had a Year 5 general election where we found out about all the different politicians and parties. We cast a Year 5 vote and the Liberal Democrats came out top!
